Suppliers and Food Sources

Here at Hoburne, we are passionate about our food, where it has come from and how it has been looked after. Not to mention how it gets to us. We try to use suppliers that are local to our parks to support local businesses and help reduce our carbon footprint. Our primary supplier allows our butcher, cheese supplier and ice cream producer to ‘piggyback’ onto their trucks, which means we can reduce carbon emissions and relieve traffic a little bit. They are committed to sustainability, working towards becoming completely zero carbon, with zero waste sent to landfill.

FISH & SHELLFISH

The majority of the fresh fish and seafood we use comes from the southern shores of England and sourced from Brixham, which is only a short distance from Devon Bay by Hoburne on the English Riviera. We ensure all our fresh fish and seafood products are sustainably sourced and wherever possible, accredited by the Marine Stewardship Council (MSC).

BUTCHERY

Our fresh meat is sourced within the UK and has welfare assurances such as Red Tractor wherever possible.

ICE CREAM

We use the New Forest Ice Cream Company, which is based just down the road from our Hampshire parks (Naish by Hoburne and Bashley by Hoburne).

CHEESE

Our specialty cheeses all come from producers located in the Southern Counties. Such as Lyburn Farm, Croxton Manor, Isle of Wight Cheese Co & Rosary Goat Cheese Co to name a few.

EGGS

All our eggs are free-range (except when restricted) and of British origin with the Red Lion Stamp.

LOCAL PRODUCE

For our fresh produce such as fruit, vegetables & salads we use a Hampshire-based supplier. When in season, most of our fresh produce comes from local farms within the south and southwest of England. The majority come from farms within 25 miles of Bashley by Hoburne in the New Forest.

LOCAL PRODUCTS

Where possible, we try to support local businesses by using their products within our menus. Examples of this are Hogs Bottom Chutneys (Devon), Dorset Tea, The Garlic Farm (IOW), New Forest Spring Water (Hampshire), Dorset Sea Salt Co., New Forest Fruit Co. (Hampshire) and many more.

COFFEE

At Hoburne, we use Full Circle Coffee Co. They roast their beans in small batches from their HQ near Blandford in Dorset. The beans are ethically and sustainably sourced from suppliers around the world.

BAKERY

Many of the bread/bakery products we use come from a bakery that sources key ingredients such as wild farmed flours and oils from British farms. Everything they produce is Red Tractor Assured.
