SPA ETIQUETTE

If joining us for a spa day please bring your swimwear and bag, we have towels and robes for you.

Facials and body treatments are done in private treatment rooms and guests are most comfortable in underwear or dry swimwear.

During treatment you will be covered with towels and kept warm and private. Areas of the body receiving treatment will be uncovered and covered back up after.

If using leisure facilities during your visit we recommend this is done prior to your treatment. Many of our treatments benefit from retaining the products on the skin and nail treatments can be affected by using facilities too soon after.

A patch test may be required for some treatments.

No outside food or drink is to be consumed in the spa.

Please arrive 10 minutes prior to your booking time to fill out consultation forms. A late arrival may mean we need to reduce your treatment time.

All treatments are unisex

All facials are safe during pregnancy after the first trimester

We require a 50% deposit to secure your booking
